Almondsbury Cemetery Rules and Regulations – Amendment to permitting interments from – ‘Out of Parish’ From June 2025

The AJBC will permit ‘Out of Parish’ interments, at the applicable out of parish fee, in cases where the deceased is a direct descendant of an individual previously interred in the cemetery, specifically a parent or grandparent.

This policy aims to recognise and honour longstanding family connections to the parish cemetery, while maintaining clarity and fairness in fee structure.
