

ALMONDSBURY JOINT BURIAL COMMITTEE NOTICE

FOR THE ATTENTION OF FUNERAL DIRECTORS

Before booking other services relating to the management of a funeral, for example a church service via a minister, **you must first check with either the Cemetery Clerk or Mr Alan Moss (Head Gardener) that the interment on the proposed time and date can be accommodated at the cemetery.**

If you fail to do so and the cemetery cannot accommodate the planned funeral on your non communicated time and date then please note the interment will be postponed until a new time and date can be mutually agreed. Your co-operation on advance communication is greatly appreciated.

Kind regards

Stephen Taylor

Clerk to AJBC
